Help is available

Do you have a learning disability and need help understanding your debts?

Maybe you need support with a housing issue?

Are you claiming the right benefits?

CLASP & Citizens Advice Wokingham can help!

A charity supporting adults with learning disabilities to speak up

CLASP is a small charity supporting adults with learning disabilities to lead independent lives.

CLASP & Citizens Advice Wokingham are working in partnership to provide tailored services for adults with learning disabilities & their support network, who live in the Wokingham borough.

We can all face problems that seem complicated and difficult to cope with.

Our new sessions offer people with learning disabilities and their carers a chance to understand and deal with their issues around debt, housing, benefits etc.

Remember, all sessions **must** be booked in advance through CLASP. For more information and to book your place, please contact CLASP:
